## YOEMEN TO TAKE ON ROCKDALE FRIDAY

Cameron steps out of conference competition Friday night to take on a Class B team, the Rockdale Tigers.

The Tigers lost their game last Friday to Bartlett by a score of 25 to 12.

The Yoemen were polishing off the Killeen Kangaroos by a score of 46 to 13. In the meantime Rosebud was holding a position equal to Cameron by defeating Taylor 21 to 7.

It appeared that predictions will come true when Rosebud Panthers invade Cameron on Friday night, November 12 for what will undoubtedly decide District 21-A.

Rockdale has a fair team this year but play in class B. In the old days Rockdale was a member of the conference.

The Yoemen came out of the Killeen game in fair shape. The second stringers should get plenty of chances Friday night. The Tigers came to Cameron in 1947 and the Yoemen had not been scored on, but the Tigers turned the trick and made a ball game of it.

The Yoemen will return to conference competition on November 5 with Belton here. Then will come the Rosebud game and the last will be the Waco Kittens on November 18.

## DROUTH TAKES HEAVY PRODUCTION TOLL

Milam county's cotton crop will fall below the production figure for 1947.

It was estimated here Tuesday that the 1948 crop will be less than 26,000 bales. At one time early in the harvest season the crop was estimated at from 22,500, to 25,000 bales.

With the harvest practically over it was estimated that the production would be about 19,000 in Milam county, or some 6000 short of the high estimate in early September.

Continued dry weather took a heavy toll. With the acreage increase in 1948 the production, had proper rainfall occured, would have been around 30,000 bales.

Up to Tuesday morning the Cameron Compress had received a total of 28,000 bales for processing. At this time in 1947 the compress had received 31,000 bales. The crop was late in 1947.

P. W. Davis, manager of the big plant here, said that local cotton now totals 15,500 bales. This is cotton ginned in Cameron or trucked in from neighboring communities.

The processing of cotton here will slacken considerably come November 1.

## Examination Called For Substitute Clerk Burlington Postoffice

Walter G. Marek, Postmaster at Burlington, has mailed to The Herald notice of examination for a substitute clerk in the postoffice there.

Mr. Marek states that the examination for his postoffice will be held on November 20 in Cameron commencing at 8:30 a. m.

Applicants to be examined for this office must actually reside within the delivery of the postoffice or be bonafide patrons of the office. Persons employed in the postoffice are considered patrons of that office.

Applicattion and further information can be secured from the Postmaster.

Mr. and Mrs. Al Asp of Ft. Worth spent the past week end in the home of Mrs. Leona Walton of Cameron. Mrs. Asp is a sister of Mrs. Walton. Mrs. Walton is much improved after being ill for the past week or so.

## REDS REPUDATE ALL SAFETY REGULATIONS

BERLIN, Oct. 26—The Russians tonight repudiated the Inter-Allied Agreement on safety regulations in the Berlin air corridors, it was officially reported, in what appeared to be a new move to obstruct the flow of aerial supplies.

The Soviet News Bureau said that the Russians claimed the agreement never had been confirmed or ratified by higher Allied authorities and "is therefore totally invalid."

In a letter announcing this action, the SNB said, the Russians demanded that they be provided with "complete schedules of all planes flying over the Soviet zone." This would give them complete control of Allied traffic which now exceeds 600 flights a day. The Russians warned that if their demands were not met the Western Allies would be "entirely" rester was the first move made since Andrei Y. Vishinsky vetoed in Paris

The officially-reported Soviet letponsible for any "accidents."

yesterday a proposal by "neutral" members of the United Nations Security Council for a compromise in the crisis caused by Russia's blockade of Berlin.

There were two other developments of note, both testifying to Russia's own difficulties in Germany:

1. Maj. Gen. Walter Schreiber, one of the most important men in the new Russian-trained German police in the Soviet occupation zone, was reported to have escaped to the Western sectors of Berlin.

2. The Soviet news agency complained that the counter-blockade which the United States and Britain imposed in retaliation for Russia's blockade of Berlin was causing hardships in the Russian zone.

## EXPLOSION WRECKS SCHOOL CAFETERIA

An explosion believed to have been caused by an accumulation of gas wrecked the cafeteria of the Otto public school in Falls county Monday morning.

Seven persons were injured, two of them seriously.

Mrs. T. A. Powers, 63, who resides about 300 feet from the school; and Jo Ann Brooks, 12, daughter of Mr. and Mrs. T. J. Brooks of Otto, were the most seriously injured.

The explosion, which occurred as pupils, members of the faculty and townspeople were cleaning up the school after a carnival Friday night hurled the wooden floor upward with such force that it lifted a 300-pound stove and moved it several feet.

It was this upward blast which caused multiple fractures to Mrs. Powers' feet and also fractured the left leg of the Brooks child.

Four other pupils, Iona Meyer, Helen Springer, Shirley Hommel and Shirley Hasse, and the cook for the school, Mrs. Joe Meyer, suffered minor injuries, shock and bruises. They were in the cafeteria at the time of the blast.

R. L. (Dick) Gwyn, principal of the school, said he had been having trouble with the butane gas system which furnishes the school building fuel for its cooking and heating arrangements. Cause of the explosion, however, was still undetermined late Monday.

Mrs. Alva Sanders, Worthy Matron of Cameron Order Eastern Star, and Mrs. T. E. Crump left Monday for Fort Worth where they will attend the State meeting of the Grand Chapter, Order Eastern Star, and will also be accompanied by Mr. and Mrs. Niley Smith, Sr., and her sister, Miss Ena Steger who will also attend the meeting.

## $46,000 Land Deal Is Made In Milam

Highlighting real estate transfers for the week is the purchase of two tracts of land on the San Gabriel River south of Cameron.

W. A. Rosanky of Washington county has purchased two tracts, one from Mrs. Lou Ella Simms of Rockdale and one from B. H. Meinert. The Simms tract has 775 acres and the Meinert land $465 acres.

Mr. Rosanky paid $31,000 for the Simms tract and $15,623 for the Meinert land.

## 300 Year Old Gold Pin Owned By Mrs. A. R. O'Neal Here

Mrs. A. R. O'Neal of Cameron owns a pin which she says was once the property of her great grand mother.

The pin, she says, is 300 years old or more. Mrs. O'Neal brought the pin to The Herald Monday and showed it to the publisher.

It is one of the pins common to that age and were known as breast pins. This one has a small ruby in the center and a very attractive gold design.

Mrs. O'Neal was born in Mississippi and her maiden name was Arledge. She is a sister of the late John Arledge.

## 50 Absentee Votes Cast For November 2nd Election Here

As election supplies were to be delivered there had been cast 50 absentee votes.

Miss Bessie Dunham at the office of the County Clerk, said it appeared this number may be high for a general election.

Interest in the election appeared to be above normal but far short of the noise being made by candidates who think they are going to put the party out of business. Folks were just going along naturally and will vote the ticket straight.

The county runs the show in November. The sheriff delivers supplies and it was thought this work would get under way Thursday or Friday.

## Tries Irrigation Gets 140 Tons Feed

A. H. (Dutch) Baskin beat the drouth on 10 acres of feed.

He has just harvested the crop off 10 acres. The drouth and grass hoppers had just about finished the feed crop when he pumped water from the river.

Mr. Baskin got some 140 tons of Heigari from the 10 acres and this feed already in ensilage state is worth about $15 per ton. Mr. Baskin purchased a pump that cost him $1000 and already had water rights on the river.

## 2 Prison Terms and Two Suspended Terms In Court Monday

James Franklin, negro, charged with murder without malice, accepted 3 years in the penitentiary here Monday for the shotgun killing of William King, another negro on the Sneed farm September 23.

Albert Lloyd Salee, white man, as a second offender for passing as true a forged instrument, was given a 5 year sentence on a plea of guilty.

Jimmy Hill got a 2 year suspended sentence for burning mortgaged property. Harry Sims likewise drew a 2 year suspended sentence for burglary.

It has been found that people are more likely to come down with colds on Monday than on any other day in the week.

## 200 EXHIBITORS ARE EXPECTED FOR 1948

Central Texas Poultry Show will open in Cameron Friday under auspices of the Chamber of Commerce.

It was expected that some 200 exhibitors would bring poultry to the show. Already applications for coops in which to display their birds had come in from out of county sources.

The 1947 show held under handicaps like housing shortage and difficult location housed 150 exhibits. More interest was being manifested this year, it was said.

For a long time Cameron struggled along with no coops. Finally under the Chamber of Commerce leadership the merchants gave the money and 200 were purchased. Now annually these coops are available and do not have to be borrowed. Cameron still has no exhibit buildings and must rely on space contributed by business men.

The 1948 show will be held at the Wilson Produce Company. The premiums are numerous but not impressive. The educational value of the show is the important feature.

E. D. Parnell, former teacher of Vocational Agriculture here and now a Professor of Poultry Husbandry in Texas A&M College, will judge the 1948 show.

Mrs. Jack Lewis, manager, said the cash awards would total about $60.00 but that there are other awards, perhaps a hundred in all.

To the prize lists Publisher J. B. White added 25 subscriptions to the Weekly Herald. "I have seen communities transformed by poultry programs. I know of nothing more important than to launch out on a broiler program here in Milam county. Poultry is big business. If you don't believe it go where they have it and look at the individual bank deposits, the new homes the highways and general prosperty."

## TOM CONNALLY WILL VOTE TICKET STRAIGHT

MARLIN, Oct. 23—Sen. Tom Connally said upon arriving in his hometown here today that he would vote the straight Democratic ticket Nov. 2 "from President Truman on down".

The senior senator and Mrs. Connally came here from a speaking engagement in Houston for a rest. He said he would vote at his hometown box.

Sen. Connally said he had no plans, no speaking engagements and no statements, adding:

"I'm very tired. I want the rest."

The Connallys registered at a hotel here. They plan to stay two or three weeks. His Marlin home is rented out. He has a number of farming interests in Falls county.

Friends motored Senator and Mrs. Connally from Houston to Navasota, where they were met by Mr. and Mrs. Elbert Holloway of Marlin, who drove them the rest of the way.

At Houston, Connally spoke yesterday at a convention of the Texas Manufacturers association.

He told friends he planned to take hot mineral baths as is his custom while here. Marlin is a central Texas resort town.

## 10 Lb. Turkey For Thanksgiving Will Cost Papa $9.94

DALLAS, Oct. 23—At prices prevailing here today it will cost about $9.94 to put a 10-pound turkey and dressing feast on Dallas tables this Thanksgiving for a family of four.

Top cost: the turkey, about $8.10.

The Department of Agriculture placed the Texas turkey count at 3,018,000 head this year, 18 per cent less than in 1947. The national decline was 10 per cent.

Mrs. Ruth Winchester is a patient at Newton Memorial Hospital. Her many friends wish her a speedy recovery.

## $40,000 PLANT IS BIG INDUSTRIAL BOOST HERE

Cameron's new $40,000 steam laundry will be open for business on Monday, October 25 it was announced here Thursday morning by A. C. Tumey of Dallas who will be manager of the plant.

Mr. Tumey said that plans to open the plant have been advanced because of factory personnel who will be available next week. It was planned to open the new plant about November 1.

Announcement of the opening was welcome news to the people of this area.

The new plant is called the Snowhite Steam Laundry and was built by Ray Lester. The new laundry is located at the corner of East First Street and North Fannin Avenue in the building formerly occupied by the Lester Grain Company.

Plans to hold a formal opening of the new plant have not been affected by the announcement of the beginning of operations Monday, said Mr. Tumey. The public will be given a formal invitation soon to visit the laundry and see the modern machinery in operation.

The installation of the new plant is quite an industrial boost for Cameron and Mr. Lester finds himself in a very much appreciated role as a city builder. He has spared neither time nor expense to give this area a most modern laundry.

Mr. Tumey with more than a half century of experience as an operator of laundry plants, qualifies as an

## NEW CYCLONE CHURCH DEDICATION SUNDAY

The parishioners of St. Joseph's Church Cyclone, will celebrate the Dedication of their new church on Sunday, October 31.

The ceremonies will start at 10 a. m. with the Most Rev. Louis J. Reicher D.D. LL.D., Bishop of Austin, officiating. The ancient ritual is a very solemn one. The outer part of the building is blessed first, while the doors are closed, and the Bishop and clergy encircle it in procession, chanting the 50th Psalm—the Miserere. Then they enter the church, which should be vacant and bare—especially the altars—and close the doors again They sing the Litany of the Saints and the church is blessed again on the inside. Then the doors are thrown open, the congregation enters and Mass is said for the first time.

This church, one of the most beautiful in this section of the country, was an Army Chapel purchased at Camp Swift, for $1000.00. The men of the parish went up there at the rate of twenty a day and compeltely dismantled it in ten days. After hauling it home, they started from the foundation and rebuilt it. Practically all the labor was donated, every man giving one day every week in his turn.

They added a new sanctuary twenty feet square, and two spacious sacristies. A new stainless steel cross surmounts the tower. The building now stands 101 feet by 37 feet and will seat 350 people. It has a foundation that cost $1000.00 in material alone. Five immense trusses gird the whole structure, and no time or labor was spared to make it fitting and durable.

Practically all the furnishings, with the exception of the Altars, are new. They cost over $2000.00 and were also generously donated by the parishioners. Even the land on which it stands was donated. For the past two weeks an artist from Chicago has been redecorating the Altars, and they are well worth seeing.

After the Dedication Ceremonies, a sausage and chicken dinner will be served at Flag Hall to all who come. A big picnic will go on all day. In the evening a barbecue supper will be served. And a dance at night will bring the occasion to a close. A brass band from Taylor will furnish music all day long.

## DEMOCRAT TICKET TO GET MILAM MAJORITY

Not since the Ku Klux led a revolt against Al Smith in 1928 has voting been so mixed in Texas.

The conditions are somewhat similar but there is a wider choice.

Milam County, once called the "Maine of Texas" for as it voted so voted Texas, was a pretty fair gauge of what is likely to happen in Texas on Tuesday, November 2.

In 1928 Texas voted for Hoover. In that year Milam County Democrats held the line and turned up a sizeable majority for the Happy Warrior.

The Herald has just concluded a survey of the political outlook in Milam county and here are some of the results noted:

The county will go Democratic. The question is asked often whether The Republicans or the States Rights Democrats, so called, will get the large vote in the county. Indications are that the Republicans will defeat the Thurmond-Wright ticket.

Henry Wallace will fare badly. He will be fourth in the race. There are 8 columns on the big ballot. Only six of them have definite party designation and one of them is Independent.

Milam County people have been Democrats throughout political history. They regard their Primary and Precinct pledges as a matter of political honor and fair play.

Definitely the revolt pictured as prevalent in Texas, does not exist in that ratio here. Milam County will return a good majority for President Truman and Albin Barkley. Next in order will be Thomas E. Dewey and Earl Warren for the Republicans. Then will come the candidates of the so called States Rights Party, J. Strom Thurmond of South Carolina and Fielding Wright of Mississippi.

All available information shows that The Progressive Party headed by Henry Wallace will be fourth.

The Democrats are normally non-

## J. C. Penney Company Makes Progress Here On New Super Store

J. C. Penney Company is making rapid progress on their new superstore in Cameron.

A. R. Maddox, manager of the store, has good news for customers today. The main entrance to the store has been partially closed for sometime while workmen are doing the preliminary structural work for the new front.

This has handicapped Mr. Maddox but to-day he announces that the store is back in full operation, although work is not complete on the store. Folks can get in the store and do their trading now, without the handicaps of the past few weeks.

Mr. Maddox, manager, is achieving something big for central Texas in the new Penney Store. A new front to take in the adjoining building which will more than double the floor space of the store will make this a modern thing of beauty. An inner lobby will permit people to walk along side of display windows in front.

In the interior of the store a modern arrangement is in the making and much more will be said later when Mr. Maddox formally opens the new center.

## Re-Hearing in Massey Case Set for Nov. 10

A re-hearing in the Dr. Ola Dee Massey case has been set for November 10 before the Court of Criminal Appeals in Austin.

Dr. Massey is under a five year conviction for kidnapping for the purpose of extortion.

The case grew out of the abduction of her late aunt, Mrs. R. H. Johnson who was forcibly detained in a Waco hospital while her home here was looted of valuables.

The Austin court affirmed the conviction obtained in District Court at Cameron early this year.

# NEUTRAL NATIONS LAY DOWN SETTLEMENT PLAN

Russia was asked in a resolution by the six neutrals of the security council today to lift immediately the Berlin blockade as part on an east-west settlement in Germany. The four big powers were asked in the same resolution to implment by Nov. 20 their Moscow agreement to introduce the soviet zone mark under four-power control as the sole currency of Berlin.

The resolution also provided for the convening of a four-power foreign ministers council within ten days after the currency settlement to reopen negotiations on German problems as a whole, and for lifting of transport and trade restrictions too and from the Soviet zone.

Argentine Foreign Minister Juan A. Bramuglia presented the six-nation resolution to the council. He adjourned the meeting before the big four stated their views, setting the next session for Monday. A vote may come then.

An authoritative source said Soviet Deputy Foreign Minister Andrei Y. Vishinsky asked for the delay. UN officials speculated that he wanted time to get Moscow's reaction to the formal resolution.

U. S. Deputy Delegate Philip C. Jessup refused to commit his country but told a reporter that "in general we think that it (the resolution) is along the right line." A British spokesman said his delegation regarded the resolution as a satisfactory basis for settlement.

Vishinsky maintained his boycott of the debate, but scribbled notes furiously during the tense meeting, held in the theater of the Palais Be Chaillot before 2,500 spectators. He was in high spirits when he left the council chamber. As to the resolution, he grinned and said: "I will have to look at it."

The British spokesman said the timing mentioned in the resolution—immediate lifting of the blockade and an immediate meeting of the four military governors of Germany to arrange for solution of the currency question—seemed acceptable.

# YOELETS WIN OVER KILLEEN 20 TO 7

Coach Johnny Hauk's Yoelets outclassed the young Kangaroos in Killeen Thursday night winning 20 to 7.

Joe Johns, playing his first year of football on the B Squad, sparked the Yoelets with two touchdowns, making each score after scintilating 30 yard runs.

In the third quarter Leon Absnaider repeated the sensational play of his brother, Lewis in the Brenham game, when he batted a Killeen pass up in the air and alert Johnnie Sheehan, guard, garnered the ball and ran for a score. Sheehan wearing No. 60 weighs 140 pounds, is playing his first year.

Sheehan, Absnaider and Johns all played great defensive ball also, as did Bob Stanislaw, Alton Logan and Donald Shipp.

Glenn Rosenberg, was brilliant at quarterbacking the team on offense and played good defensive ball, at safety. He ran a Kangaroo punt back 50 yards to the Killeen 5 yard line.

The Yoelet second string led by Lee Polansky and Preston Reichert played most of the second half.

It was Coach Johnny Hauk's birthday and the Yoelets made it a happy occasion for him. Johnny is 22 years old. He is an old Yoemen, having quarterbacked a team for Coach Dick Young. He recently graduated at Baylor University and is teaching history here and coaching the B team.

The Hauk family at Clarkson has given the Yoemen 3 men. They are Johnny Hauk, now B team coach, Billy Hauk, half back who finished in 1947 and now V. W. Hauk, 130 pound back is playing on the B team and coming up for the varsity in 1949.

From where I sit ... by Joe Marsh

## Want To Join Our Club?

Newcomers to our town are puzzled when they hear talk of "The Barbecue Club." Want to know who can join, and what the purpose is.

Well, the answer is: *any one* can join who's neighborly inclined. The purpose is simply to enjoy good food, good beer and ale, good conversation—all towards getting to know one another better.

Every other Saturday, at one farm or another, the pit is dug, and the fire started. And by sundown, neighbors from miles around have come together—the women contributing cakes, pies, and coffee, the men contributing the meat for barbecuing, and the beer or ale.

From where I sit, it's this simple wholesome side of country life in America—its spirit of good-fellowship—that makes for tolerance and better understanding between neighbors.

As I say, Neighbor, any one can join up! So come along a week from this Saturday.

# BEALE SCORES THREE TOUCHDOWNS TO LEAD

The Yoemen flashed a sustained scoring spree here Friday night to defeat the Killeen Kangaroos 40 to 13 and give the fans their money's worth and some to spare.

It was one of those ball games where there was never a dull moment. Those Kangaroos under Leo Buckley never say quit. Though beaten badly in just about every department of football, they made a ball game of it, making the final score of the game for 7 points while being led 40 to 6 by the Yoemen.

Howard Beale emerged the leading point getter of the game, having three touchodwns, one for 17 yards, another for 38 and then breezing down field for 65.

Wesley Braden who has developed into a fine half back scored first for Cameron in the first quarter. Gordon Gibson on a pass interception accounted for one touchdown and Olin Armstrong on a pass from Fuchs made the other. John Moseley was a constant threat and aided well in setting up three of the scores.

Killeen, pass minded in the second half, scored from the 1 yard line and then Reese made 52 yards on a pass play from Barnes to place the ball on the Cameron 7. He then went over for the score untouched.

**1st Quarter**

Co-Captains Reese and Farmer for Killeen met Captain Gibson for the Yoemen in the center of the field and Cameron won the toss, electing to receive, defending the west goal. Stubblefield for the Kangaroos sent a booming kick down to John Moseley and the Kangaroo forwards were down fast. On the first play from scrimmage Moseley got 4 yards. The whole Killeen team kept an eye on Moseley. As the thing turned out they should have watched Beale. After two attempts by Beale Cameron had to kick. The ball sailed out on the Killeen 38. Zotz and Allen broke up two attempts and Killeen had to kick. Moseley ran the ball back to the Cameron 41. Cameron was offsides penalty refused by Killeen. The Kangaroo team was very confident. They wanted the ball. Moseley picked up 7 yards and Beale raced for 30 and a first down. Beale promptly racked up another first down and the ball was on the 4 yard line. Moseley was set back 4 on an attempted end run. Fuchs handed one off to Wesley Braden who skirted wide around left end and went over standing up. Wilkinson missed the extra try and it was 6 to 0. Zotz kicked to Barnes and the ball was on the Killeen 40. Barnes made a first down on the 50 but Cameron drew 15 yards for clipping on the play and the ball was still in possession of Killeen and a first down on the 30. Stringer got 2 and Barnes passed. It was intercepted by Moseley who ran it back to the 50. Beale got 5 and Fuchs got 7 and a first down. Braden went through center for 9 and Moseley got 20 and the ball was on the Killeen 19.

**2nd Quarter**

Moseley made a first down on the Killeen 9. Fuchs shot a pass to Wilkinson who dropped it on the 4 yard line and clear for the goal line. Fuchs passed to Moseley but it was no Good. Beale made a short gain. It was 4th down and 6 needed. Lanning stopped Moseley on a sweep and the ball went over. Killeen got the ball on their own 8. Two plays later Stringer kicked out on the Cameron 50. The Kangroo line was beginning to function well. Fuchs lost 4 and Moseley lost 3. Beale kicked out on the Killeen 26. Cameron drew a 5 yard penalty but Killeen refused it. Those Kangaroos were never discouraged. The Cameron line stormed back to block the kick and the ball was on the Killeen 17 yard line. Now came Howard Beale right through the center for 17 yards and a score. Zotz converted and it was 13 to 0. Wilkinson kicked off and the ball was on the Killeen 25. Stringer fumbled but recovered losing 8 yards. The Kangroo punt was run back to their own 38 yard line by Moseley. Beale executing a perfect down field run raced 38 yards right through the Killeen team for 38 yards and a touchdown. Wilkinson kicked the extra point and it was 19 to 0. Stubblefield got the kickoff and ran it back to his 48. Stringer lost one and Barnes shot a pass that was intercepted by Moseley who ran it back to the Killeen 39. Beale got 7 yards. Olin Armstrong, came into the backfield, his first such assignment of the season. He plays left end. He got four yards and Beale made it a first down on the Killeen 25 as the half ended.

**3rd Quarter**

The Kangaroos came back strong. Zotz kicked off to them far down and Stringer ran it back to his 25. Lovorn got 4 yards and Stringer made it a first down. Barnes shot a pass to Lovorn for 35 yards. Barnes passed to Smith for 5 then to Reese for 5 and Killeen drew five yards for backfield in motion. Cameron was glad to get it. Reese took a pass from Barnes and made a first down. McQueen got 1 and Zotz broke through and dropped Barnes for a 7 yard loss. Killeen took time out and Barnes lost 7 more on an attempted pass. He then found Reese for a completed one and the ball was on the Cameron 27 where it was lost on downs. Reese spilled Moseley for a loss and Braden got two. On a fake kick play the ball missed its mark and Stubblefield pounced on it for a Killeen recovery Cameron had 11 men on the field but Killeen refused the penalty. Reese passed to McQueen who made a first down on the Cameron 8. Stringer made a yard and Barnes then passed to Smith to the Cameron one yard line and Reese vaulted the line fora touchdown. Stubblefield kicked the extra point and Killeen was in the ball game. The Kangaroo fans came to life. The Yoemen stormed right back for a tally. Stubblefield had to re-kick the ball for it went out of bounds. Fuchs ran it back to his own 35. On the first play Fuchs handed off to Beale who ran 65 yards for a touchdown. It was one of Beale' best runs of the season. Zotz kicked the extra point and it was 26 to 7. Wilkinson kicked to Springer and then Lovorn made a first down. Reese racked up 7 and Cameron drew a 5 yard penalty. Reese made a first down on the 43 as the quarter ended.

**4th Quarter**

The final period was to bring a scoring spree. Barnes lost 8 yards as the Cameron line broke through. A pass to Smith was no good. They lacked 18 yards to keep the ball. Beale broke through and downed Barnes for a 10 yard loss. Cameron now refused a penalty and it was fourth down and 30 yards for a first Killeen had to punt. Farmer was hurt on the run back but stayed in the game. Moseley was run out of bounds on his own 46. Moseley lost 2 but Beale got 11 yards. Braden racked up another first down. A pass was good from Fuchs to Armstrong for 32 yards when interference was allowed. Fuchs then passed to Armstrong for a score and Wilkinson found his toe to send it through and it was 33 to 7 Zotz kicked off to Barnes who made a short run back. Earnest Batte came into the Cameron line and on the first play downed Reese after a three yard gain. Batte had him by the tail of his jersey. Batte is a promising lineman weighs 205 pounds and plays tackle. Centers score few touchdowns, but Gordon Gibson came through with a pass itnerception and a 40 yard run. Barnes tried to get going with a pass but Gibson grabbed it. Behind good blockinf he raced all the way. Zotz kicked the extra point and it was 40 to 7. Well, those Kangaroos have a lot of stuff. They wouldn't quit Zotz kicked off to Barnes on the Killeen 29. Barnes dropped back and shot a pass to Reese that was good and he raced 50 yards. When it seemed he would go over Eldon Batte, a 130 pound back from the Junior squad raced all the way down to the 7 and there overtook Reese and downed him. On the next play Barnes went off his own right end for a touchdown. The conversion effort failed and that ended the scoring for the night. The lesser lights now subbed in with Michalka at quarterback. Armstrong made 7 yards and Eixman on fourth down punted for the first time this year. He sent the ball down to the Killeen 20. Killeen took a 12 yard loss in two plays combined with a penalty and the ball was on the Kangaroo 8. Barnes kicked out to the 50 and Batte ran it back to the 30. Batte got 9 yards and Armstrong made it a first down on the Killeen 18 as the game ended. Final score Cameron 40, Killeen 13.

J. S. Cabron of Burlington who is always a welcome visitor was in Cameron this week and as usual resubscribed for the Cameron Herald for himself and also for five of his relatives and friends in various parts of the country.

C. L. Yount, P .L. Paris and H. R. Sorenson of Watson Branch were Cameron visitors Saturday.

# NEW LAUNDRY OPENS HERE MONDAY MORNING

With a sizeable batch of laundry stacked up Monday morning for the first run of the plant, Snowhite Steam Laundry got under way Monday afternoon.

Ray Lester who built the plant said that the first day's operation would be a success from the standpoint of clothes on hand to be laundered.

The new plant costing around $40,000 was not in full operation because a piece of equipment had not arrived. However the plant is operating on a limited basis for a few days.

When the plant is fully in operation a formal opening will be held at which time the public will be invited in to see the new laundry at work.

## Ten German War Criminals Hanged

Ten German war criminals were hanged Friday at Landsberg Prison, despite recent appeals of the German Catholic and Protestant churches.

Alex Piorkowski, 44, one time commander of the Dachau concentration camp, and former SS Col. Hans Trummler, 48, who passed out cigars to his troops after they killed American parachuted aviators, were the best known among the 10.

The men went to the gallows under a gray sky in the court yard of the prison where Hitler wrote "Mein Kamuh."

Mrs. N. D. Fuller who is a surgery patient in St. Edwards Hospital is reported to be improving.

**CARAVAN COMING**

A caravan of Marlin Empty Saddle Clubbers will visit Cameron on Tuesday, October 26th for a few minutes. They are due to arrive in Cameron about 12:45 to advertise their rodeo to be held in Marlin on October 28, 29, and 30th.

Mrs. William S. Brown, of Arlington, Virginia, will arrive Friday for a two weeks visit here with her mother, Mrs. Jeff T. Kemp. She will attend the Home Coming of the Cameron High School students this week. Many friends will be delighted to welcome her return visit. Since she returned to her home in Virginia she and husband have built a new home, which is in the suburbs of Washington D. C.

Printing is a home industry.

"Killing Frosts"

Fall's first killing frost is Nature's signal for plant life to take a long vacation . . . live on stored-up reserve vitality, or wither and die.

Man has no such frequent, long vacations. He must work, plan, save for the time when the "killing frosts" of old age or disability decrease his earning power or halt his labors.

Woodmen have no fear of these "killing frosts." With safe, sound Woodmen life insurance protection, they are building reserves for security in old age, and to protect their loved ones should they earlier become disabled or die.

## MCCULLOCH FUNERAL IS TO BE HELD FRIDAY

Funeral services for Lee McCulloch, 45, who died early Wednesday in a Temple Hospital from injuries sustained when struck by a car at Heidenheimer in Bell county, will be held Friday afternoon, October 22.

The funeral, planned for Thursday was postponed due to the late arrival of relatives.

The cortege will leave the Green Funeral Home in Cameron at 2:30 p. m. Friday, October 22, and services will be conducted by Rev. R. L. Lemons, pastor First Methodist Church in Cameron, at the Methodist church at Liberty. Interment will be made in Liberty cemetery.

Mr. McCulloch lost his life in a double tragedy that also took the life of Boyd Evans of Little River. A car driven by Billy Don Miller of Belton, struck McCulloch and Evans as they sought to make repairs on the McCulloch car on Highway 36. Miller was not injured.

Evans died at 9:30 p. m. Tuesday and McCulloch died at 5:30 a. m. Wednesday.

## Clarkson H D Club Met October 22nd

The Clarkson Home Demonstration Club met at 2 p. m. Friday, Oct. 22, in the home of Mrs. Emil Skupin for a demonstration on cake making by the new quick mix method given by the County agent, Mrs. Moody. When finished it was sampled by the members, all of whom agreed it was delicious and gave it a score of 99. Mrs. Moody passed out leaflets containing many other tested recipes.

During the recreation period the hostess had prepared a simple Hallow'een game and refreshments were carried out in Hallow'een colors.

The next meeting will be at the church on November 3. It is very important that all members attend. Visitors are welcome.

## AGREEMENT DOUBTFUL OVER BERLIN CRISIS

Russia's Andrei Y. Vishinsky tonight was reported to have advanced some objections to the new plan of the six "neutral" security council members for settling the Berlin crisis.

Sources said, however, Vishinsky still was waiting formal instructions from Moscow as to its final attitude on the compromise formula submitted to the four big powers last night.

The Soviet deputy foreign minister conferred for about an hour in the Soviet embassy with Argentine Delegate Juan A. Bramuglia, who is presiding over the security council's Berlin discussions.

Vishinsky was reported by one source to have given Moscow's reply on the new resolution, which will be submitted to the council tomorrow, but later it was stated he still had no word from the Kremlin.

Vishinsky was said to have objected particularly to the resolution's provision that the Western powers would carry out their agreement to establish the Russian zone mark as the sole currency in Berlin under four-power control. He commented that the proposed currency settlement would not be simultaneous with the lifting of the Berlin blockade.

Vishinsky previously had talked with Bramuglia briefly last night when he was handed a copy of the resolution worked out by representatives of China, Argentina, Canada, Columbia, Syria and Belgium.

LAUNDRY—

expert in every sense of the word. "I am well pleased," he said, "about the whole prospect here. Cameron needs such a laundry and it can and will serve a wide section of this country. Based upon my knowledge of laundry plants I can say this one is one of the best I have had to do with. It is strictly modern and the equipment is the best that can be bought."

"We will open for business on Monday, October 25 and this plant will take care of every type laundry in any desired finish. He will have a call for and delivery service. We will have a cash and carry service too and that will be subject to a 10 per cent discount at the laundry."

Raymond Allison of Buckholts transacted business at the court house one day this week.

## GOOD WEATHER WILL PREVAIL FOR SHOW

Cooping of birds for the annual Central Texas Poultry Show will begin Thursday it was said at the Chamber of Commerce this morning.

Good weather is due to prevail over the week end and the show has all the prospects for a success.

The show will be housed in the building of the Wilson Produce Company here.

It was estimated that some 200 exhibits would be placed and this will give the show widespread prominence among poultry breeders in this area.

Far sighted planners now feel the necessary to concentrate on a poultry program as a means of developing greater farm income. Poultry is big business and wherever developed on a large commercial scale has brought farm prosperity.

Milam county needs a broiler program. Gradually through the years this county has developed poultry interests and the show here this week end is a fine emphasis of greater possibilities.

## Lyndon Johnson Asks Full Probe In All Texas Counties

Lyndon Johnson countered Coke Stevenson Tuesday by filing a formal request with the United States Senate Committee on Privileges and Elections, asking for a probe of the vote in all of Texas 254 counties.

Mr. Johnson specifically named 8 counties in which he requests an investigation of the August Primary balloting, one of them Brown county where some 1500 votes were thrown out.

Coke Stevenson already had filed a contest in Washington naming three South Texas counties. He was defeated by 87 votes.

## Quarter Million Hear Truman Speech In Chicago Monday

President Truman spoke to one of the largest crowds in U S political history Monday night in Chicago.

A quarter million people heard the President slam the Republicans and state that the tide is sweeping in favor of his campaign.

The giant enclosure in which the President spoke held 24,000 people and some 200 thousand or more were outside getting the speech over loud speakers.

Tillie Krause of Cameron has returned from a two week vacation trip to Aberdeen, Mississippi where she visited in the home of her niece and family, Mr. and Mrs. J. L. Shelton.

## C. C. HILL, PIONEER DIED HERE SUNDAY

C. C. Hill, 87, pioneer, and a native of Arkansas, died here Sunday, October 24 at 7:30 a. m. in the Newton Memorial Hospital.

Mr. Hill who had been a resident of Milam County for a long period of time, was born on October 15, 1860 in the state of Arkansas.

Funeral services were held at 3 p. m. Monday from the chapel of the Marek-Burns Funeral Home by Rev. Henson, of Branchville, assisted by Rev. Bill Mahaney, pastor of the Battetown Baptist Church. Interment will be made in the Walkers Creek Cemetery with the Marek-Burns Funeral Home directing arrangements.

Surviving are three sons: W. M. Hill and Raby Hill of Houston and C. E. Hill of Grand Prairie.

Surviving also are four grand children.

## Hatchery Fish Are Delivered in City

M. T. McRoberts, Superintendent of the State Fish Hatchery at Huntsville, was in Cameron Tuesday morning with a truck load of fish consigned to land owners here.

Considering the number of people who met the truck at the Postoffice at 11:30 a. m. the demand is very great here. The fish are free. Those who apply must furnish a container that will hold about 10 gallons of water.

J. R. Poole, with The Herald, obtained a shipment for a tank on his farm near the city. He says that anyone who has water they wish to be stocked should apply.

When the fish are delivered to those who apply are not here to receive them, the fish are distributed to anyone who can offer tanks or lakes.

Stocking local tanks, ponds and lakes is a very simple matter since the fish are free and distributed by the government.

## Cold Spell Looking A Bit Doubtful

That cold spell due to hit into Texas may not be as severe as was predicted.

One of the fronts had spread eastward but was jetting the tip of the Panhandle coming down from Colorado.

Still another front was bearing down from Canada. Temperatures were around 40 degrees in North Texas Tuesday morning.

Central Texas was not due to feel so sudden a change as was first predicted although it should be colder if and when the front moves down.

Miss Beatrice Tindall and Miss Edwenina Roberts student nurse at Valley Baptist Hospital in Harlingen spent the past week end in the home of Miss Tindall's parents, Mr. and Mrs. John Tindall and other relatives.

## THREE CARS WRECKED IN HIGHWAY 77 CRASH

Only three persons were injured late Monday afternoon in a three-way auto crash a mile south of Waco on Highway 77 which transformed three passenger cars into a tangle of twisted steel. Six persons escaped without injury.

"It was the worst wreck I have seen to cause so little personal injury and so much property damage," State Highway Patrolman M. T. Eades said.

Injured were:

Mrs. Lucille Day of Chilton, left arm mangled, carried to Providence hospital.

C. H. Nussman of Waco, Route 2, shoulder bruised, face slightly cut, carried to Providence Hospital.

J. H. Bennett of Chilton, arm cut, back possibly injured, treated at Hillcrest Hospital and released.

C. C. Day, husband of Mrs. Lucille Day, and the Days' three small children escaped without injury, as did Mrs. Bennett and her daughter.

State Highway Patrolman M. H. Eades said Nussman was driving an old model car followed by Day in a 1941 Ford and meeting Bennett in a 1936 Buick. Day was driving at a greater speed than Nussman and was unable to stop when he approached the rear of the older car; the collision of cars driven by Day and Nussman partially blocked the highway and resulted in the three-way crash, Eades explained.

None of the injured persons was considered in serious condition last night. Mrs. Day and Nussman were carried to Providence by Browns Ambulance Company; Waco Ambulance Company carried Bennett to Hillcrest. —Waco News-Tribune.

## NO HOPES NOW FOR BERLIN SETTLEMENT

PARIS, Oct. 24—Secretary of State George C. Marshall said tonight the "obstructive attitude" of certain nations is the greatest blight in the United Nations' record.

Marshall made his declaration in a broadcast on the third anniversary the United Nations.

He did not mention the East-West rift over Berlin, which remained broken as the Security Council prepared to take it up again tomorrow, nor did he name the nations who were, in his opinion, obstructing the work of the United Nations.

John Foster Dulles, member of the U. S. delegation to the General Assembly and adviser to Governor Thomas E. Dewey, expressed belief peace could be maintained even if Russia dashes hopes now for a Berlin settlement.

"But at least," he said, "the Soviet representatives have already shown they have some respect for the opinion of the son-called neutral members of the Security Council and the powerful world opinion that backs them up."

The United Nations Security Council will take up the Berlin crisis tomorrow, with Argentina reported ready to abandon its attempts at conciliation if Russia rejects a compromise "neutral" solution of the crisis.

Further, Argentina will support the Western Powers in their claim that Russia's blockade is a threat to peace if the issue comes to a showdown in the United Nations Security Council, it was understood.

## Two Are Killed and One Injured in Crash On Highway 190

LAMPASAS, Oct. 23—The teenage wife and brother of H. B. Slaughter, Jr., were killed today in an automobile wreck near Lampasas as they were on their way to Austin to see Slaughter graduated from Highway Patrol School.

The Department of Public Safety reported here that Mrs. Nancy Belle Slaughter, 19-year-old housewife, and Billy Ray Slaughter, 15-year-old student, were killed, and H. B. Slaughter, Sr., was critically injured when their car overturned. They were driving from Breckenridge.

The accident occured about three miles northwest of Lampasas on U. S. Highway 190.

The elder Slaughter was taken to a Lampasas hospital.

## GOVERNMENT CALLS UP TROOPS TO FIGHT REDS

The French government early Saturday called up reservists and mobilized troops of the regular army to fight the communists in the mine strike war.

Speculation was rife whether civil war may not already have begun in France.

At the same time the government was mobilizing its armed forces, communists who have blocked the mines and brought on fighting were being issued arms.

Already fighting had broken out and gunfire was heard on both sides. Orders to the French troops came after a 4 hour emergency cabinet meeting.

Communist leaders, directing the miners, said they were prepared for a show down battle with 7000 government troops quartered near the French mines.

Young men just released from the 1948 army training camps are among the reservists called.

A number have been killed and many wounded in the first fighting around the pits.

## The YOEMEN

(From the Daily)

The Yoemen should be facing an easy game to-night. Killeen has a weak team. The sands sometime run out. They will run out in Cameron. They always do. There are good times and bad. Cameron is playing its third year of victory, two times district champs.

Killeen has had a poor season. In two conference games the Kangaroos have been victors. They beat Georgetown 7 to 0 and beat Belton 8 to 0. They lost heavily to Rosebud. On the other hand the Kangaroos have fared badly in intersectional games. Cameron put Georgetown away 39 to 7. Rosebud beat Belton 28 to 0 and so it might be of insterest to reach some conclusions.

Leo Buckley, coach at Killeen, is well known in Cameron and a sportsman worthy the name. In his younger days Leo Buckley played baseball in Cameron. That was way back when Wm. R. Rogers was mopping up with his Comets. Buckley in later years took up coaching football and has been very successful. One of his best boys is Tom Bishop, now a star blocking back for TCU. He won his district twice and was strong enough to go on and win the Regional.

Buckley's teams have not been strong in the past two years, though in 1947 they lost to Cameron 7 to 0. In the Georgetown game this year one of the Kangaroo backs was out. He will be in against Cameron. In one of those strange analomies of the game certain teams always are strong against certain other teams. So Killeen has fared well with Cameron.

With the exception of the 1939 game when Carroll Wood was coaching the Yoemen, no team has won over the Kangaroos by a lopsided score. Under Carroll Wood the Yoemen won in 1939 by 25 to 0. Again in 1940 the Yoemen won 20 to 7. Killeen then took four in a row. In the 1944 game Killeen slaughtered Cameron 35 to 0 and in 1945 the Kangaroos in Killeen beat the Yoemen 38 to 0. Then Cameron's better years came along.

Friday night Cameron is the heavy favorite and should win by a good margin. Killeen is weak this year, as we say, but you can always count on the Kangaroos being strong against Cameron. It is one of those things. Our old sports sidekick, Penn Wolf, points out that if Killeen fans didn't think they had a good chance to upset Cameron, they would never have chartered that train.

Football games often provide means of exhibiting fine community courtesy, aside from the rivalry among fans. The people of Killeen will be our guests. Cars should and no doubt will be provided to bring the fans and the Kangaroo Band to the stadium and to stand by after the game to take them back to the train. If you can spare your car be on hand at 7:15 at the Santa Fe station. You will be needed.

The Yoemen are in good shape. Coach Dick Young says the Taylor game was rough, due largely to the condition of the field. The Yoemen were bruised and lost some hide but aside from that are in good shape. Dick has coached a good line this year as usual. The line has been much better than the backfield for some time. The Cameron line is fast and that is good in a T formation.

Cameron is weak on punting and that can win or lose a ball game. In the beginning of the 1948 season that weakness was recognized and everything possible has been done to overcome it. Thus far it has not been overcome. Melroy Eixman is now being groomed. Melroy did not punt in the Taylor game. He wears glasses, something you see in baseball but infrequently in football. When you see the big blond lineman in the thick of it you can know he has to play under the handicap of keeping his glasses on.

Alton Fuchs, the quarterback, was badly shaken up in the Taylor game but came back at the half and finished the game. He looks very promising as a passer and is a good man under the T. There are a lot of new comers this year.

That right end position is well manned. With Bob Wilkinson out Wendall Mitchell has come through well. Lewis Absnaider is a move up from the B squad of last year. He played in the Brenham game and scored a touchdown when he took a pass in the air that had bounced off the hands of a Brenham down field receiver.

Two centers have graduated upward. They haven't much chance this year while Capt. Gordon Gibson, an all district center is playing in his Senior year, unless he is injured. The new centers who have great promise are Sherwood McClaren. He is Number 66 and weighs 145 pounds. He is a hard worker and is coming along fine with two more years. The other center is Ed. Maas from Clarkson. He also came up from the B. squad is No. 81 and weighs 140 pounds. Maas whose home is at Clarkson has two more years of eligibility and will be in there fighting for the big opportunity.

## BIG BAND MARCHING CONTEST CANCELED

The Region III Marching Contest, scheduled for Oct. 30 on the Yoe High football field, has been cancelled. This move has been made necessary because of an almost complete lack of interest in the contest among the bands eligible to enter. At the deadline for entries on Oct. 15, only four out-of-town bands mailed in entries.

These were Camp Hood, Waco Senior High, South Junior High, of Waco, and Marlin High. After the deadline date, all the other schools were contacted by telephone, and without exception announced their intentions of not entering the competition. Thus, the event would be impossible to stage. This cancellation is regretted, but is the only thing that can be done under the circumstances, said Francis Cox.

Regular hours of worship will be observed at the local Methodist Church Sunday. The series of revival services will be conducted under the leadership of the Reverend P. Raymond Powers.

## Margie Julia Bartek And Joe Vaculin, Jr., Married October 11th

Miss Margie Julia Bartek, daughter of Mr. and Mrs. Joe Bartek of Cameron became the bride of Joe J. Vaculin, Jr., son of Mr. and Mrs. Joe Vaculin, Sr., at 8:30 Monday, October 11, 1948 at St. Cyril and Methodius Catholic Church of Marak. Rev. Ben Holub read the double ring ceremony.

Bouquets of Chrysanthemums and Bridal wreath were arranged for altar decorations.

Miss Thresa Phicha played the wedding music and the church choir sang.

The bride was dressed in a gown of white slipper satin fashioned with a high round neck line and low yoke surrounded by scallops, fitted to the waist line with three rows of scallops over the full gathered skirt. The Cathedral train was also edged in scallops. Tiny self covered buttons closed the fitted bodice and the tight pointed sleeves. Her full length veil of net with lace trim, fell from a crown of tiny beads. She carried a bouquet of giant white mums and a silver rosary. Her only jewelry was a strand of pearls.

Mrs. Charie J. Tomek, sister of the bride was matron of honor, and was gowned in a yellow taffeta dress with low neckline, butterfly sleeves, and a full gathered skirt, with a satin ribbon sash around the waist. She carried a white prayer book topped with yellow chrysanthemums.

Misses Valeria Zett, cousin of the bride of Granger, Joan Bartek, sister of the bride and Helen Vanacek cousin of the groom from Granger were brides maids. They were gowned in pink, lavender and green Taffeta gowns fashioned identical as that of the matron of honor, each carrying a white prayer book topped with matching chrysanthemums and satin streamers and wearing corsages of chrysanthemums to match their gowns.

Charlie J. Tomek of Camp Hood served the groom as best man, and groommen were: Emil Vaculin, brother of the groom, George Vanacek, cousin of the groom of Granger and Erwin Rustejovsky cousin of the bride from Granger.

Mrs. Bartek, mother of the bride wore a grey gaberdine dress with grey gloves and black accessories, and a corsage of white carnations.

Mrs. Vaculin, mother of the groom was dresed in grey crepe with black accessories and grey gloves, and wore a corsage of white carnations.

A reception and dinner was held at the bride's home, where a large crowd was served a delicious dinner of fried chicken, barbecue of all kinds and drinks. The four tiered beautiful embrossed wedding cake topped by miniture bride and groom centered the table where white candles burned softly.

The bride attended elementary catholic school at Marak and is a graduate of Yoe High School of Cameron. Prior to her marriage she had been employed at Chili's shoe store, but is now employed at Culpepper's Furniture and Hardware Store.

Mr. Vaculin attended school at Ad Hall and later graduated at Buckholts High School and is now employed with the Sinclair Refining Co.

The couple made a wedding trip to Palacius and other points of interest before returning to Cameron where they will make their home. For traveling the bride wore a powder blue tailored suit with brown accessories.

## Milam Gold Star Girl

MISS DOROTHY HUBNIK

Miss Dorothy Hubnik, Gold Star Girl of Milam county 4-H Club began her club work in 1943 at the age of 10. Goals for that year were: shoe shine kit, shoe rack, houseshoes, plain school dress, and handwork. All goals were accomplished at practically no expense that year. Articles were made of old material and a feed sack for the scarf.

Second year golas: consisted of handwork, sewing a sleeping garment, mittens, partitioning of bureau drawers, cosmetic bag. Setting out fruit cuttings, canning six pints of tomato juice and making six pot holders. After completing her goals she found at the end of the year only 90c had been spent.

The third year goals were: making a blouse, slip and handwork, serving fruit salad seven times, preparing of fruit drinks seven times, canning six pints of juice, keeping and turning in complete records, producing something for sale, learning the club motto, pledge and prayer, attending meetings regularly. That year about one dollar and twenty cents was spent in carrying out the goals. In addition to specific goals Miss Hubnik learned to make chenille work on frames, and make a blue tablecloth in chenille trimmed in gold and also a set of curtains made from feed sacks trimmed in tiny tucks and flowers. She also helped club birls from school serve breakfast to the young people of the parish.

The fourth year goals were the following: a tailored or woolen dress, purse and hat to match and to select accessories, make two pair of pillow cases, dresser scarf, bed spread, mattress and spring protectors and add a dressing table to bedroom furniture, keep clothing record, write a story of the work, keep own room in order and keep a record of all the work. Miss Hubnik took as her special project raising poultry. After her goals were completed she found that she had spent ten dollars. In addition to assigned goals she canned fruits and vegetables, painted old furniture made a chenille chair cushion, scarf, dressed a door stop and helped with the farm work. "I enjoy club work and hope to continue during the rest of my school year", says Miss Hubnik.

Miss Hubnik is the daughter of Mr. and Mrs. Phillip Hubnik of Marak. She will be awarded the gold star pin.

## Katherine Hefley and Robert G. Foster are Married in Houston

In a chapel ceremony solemnized Friday evening, October 15, at 7 p. m. at the First Methodist Church in Houston, Miss Katherine Hefley, daughter of the late Mr. and Mrs. William T. Hefley of Cameron, became the bride of Robert G. Foster of Jackson, Mississippi.

White tapers burned in candelabras on each side of a beautiful floral arrangement of white gladiolas, daisies and lace fern as Reverend Grady Hardin read the double ring ceremony.

A navy suit, navy matching accessories with white blouse, white linen handkerchief and gloves formed the bridal costume, with a corsage of orchids. She wore heirloom bracelets of her grand mother's, black onyx on gold, set with pearls.

Mrs. Richard F. Hefley, matron of honor, wore a suit of continental green, styled similarly to the bride's with palameno accessories and a corsage of small bronze chrysanthemums.

Judith Ann Foster, little flower girl in a costume of yellow silk trimmed in lace, carrying a nosegay of pink sweetheart roses and small yellow chrysanthemums with blue streamers made a pretty picture as she advanced to the altar.

Sturgis L. Foster served his brother as best man.

In addition to the traditional wedding music, Leon Stebler sang "Because."

The bride's brother, Colonel William T. Hefley, of Tinker Field, Oklahoma City flew to Houston to attend the wedding and to be with relatives and friends for a few days. Mrs. Henry Hefley of Cameron also visited in the home of the bride's brother, Mr. and Mrs. Richard F. Hefley and attended the ceremony.

The reception was held at the home of Mr. and Mrs. Sturgis L. Foster, where burning white tapers, whit gladiolas, carnations and various colors of chrysanthemums adorned the mantel and reception rooms. A three-tiered wedding cake with minature bride and groom centered the bride's table.

The couple will make their home in Houston where Mr. Foster is employed with R. P. Farnsworth & Company.

## GOLDTHWAITE BAPTIST CHURCH DESTROYED

One man lost his life and a number were injured during the forenoon Tuesday when an explosion wrecked and burned the new First Baptist Church in Goldthwaite.

The dead man is T. Barger, 36, filling station operator.

Jesse Moreland and O. B. Hale were badly injured.

The origin of the fire was not fully determined. It was said shortly after noon Tuesday that the church is believed to have been ignited from some unknown cause and that gases caused by smoke accumulated.

It was said that the loss was more than $100,000. The explosion that wrecked the building occured as firemen were battling the blaze.

The church only recently completed was one of the finest plants in that section of the state, a brick structure and a modern edifice.

The power of the explosion burst out the tall gables of the church and the high roof collapsed.

The church was valued at $300,000. Included in the loss was a new $6000 organ.

### CHRISTIAN SCIENCE SERVICES

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 31, 1948.

The Golden Text is: "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap" (Galatians 6:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "A man's pride shall bring him low: but honour shall uphold the humble in Spirit" (Proverbs 29:23).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Pride and fear are unfit to bear the standard of Truth, and God will never place it in such hands" (page 31).

Hinton H. Pruitt of Milano is a member of the class of 1928 which will be specially honored in the Homecoming assembly program at Southwest Texas State Teachers College, October 30.

The evening session will begin at 8 p. m. and will feature Rev. R. E. Brown of Killeen, special music will be rendered by the local church, and a message by Hollis Turley.

The program will feature all phases of church work from women's work, to missions and a business session.

Friends of Womack Brashear will regret to learn he is ill at his home.

# WEATHER CHANGE IS DUE HERE TUESDAY

It will be colder by Tuesday according to the weather forecast early Monday.

A cold mass of air with a better than October tang in it was due to reach the Texas Panhandle by late Monday or early Tuesday. The cold spell originated in Montana and in the upper Rocky Mountains and was coming down at a fast clip.

It was colder in central Texas Monday than for any time in the past week.

A discouraging note is that no rain is forecast. Portions of the Rio Grande Valley had rain over the week end. There was considerable cloudiness in the Cameron area, but in north Texas it was clear. Scattered, small showers had fallen in the south Texas areas over Sunday. The minimum temperature in central Texas points Monday morning was around 50 degrees. The wind was out of the northeast and very light.

Brisk football weather was due to prevail over the week end.

Cameron had a low of 50 degrees Monday morning according to L. W. Smith, government observer at the Community Public Service Company.

# WAR WITH RUSSIA IS STILL POSSIBILITY

BERLIN, Oct. 18—A group of U. S. fighter planes have been kept at continuous combat alert since last Winter because of forays by foreign aircraft over the American zone of Germany, pilots at Frankfurt said today.

Thunderbolts of the 86th Fighter Group, commanded by Col. C. T. Edwinson of Topeka, Kans., are maintainnig a 24-hour vigil to inspect strange planes whose flights over U. S. occupied territory average one a day, the pilots said.

American radar stations which can identify "friendly" and "enemy" craft by the plane's radio signals are constantly sweeping border areas searching for maverick planes. Most of them come from the Russian occupation zone and from Austria, the pilots said.

Many of the planes checked by the American fighters may have been jet-propelled fighters because they are so much faster than the Thunderbolts, the pilots said.

The 86th recently was rated as the "hottest" combat unit in the Air Force and Edwinson is considered by the men under him as the top operational fighter commander. Until now the Air Force has kept the mission, known as "operation wildcat",

# ROSEBUD DEFEATS TAYLOR 21 TO 7

ROSEBUD, Oct. 22—The Rosebud Black Panthers downed the Taylor Ducks 21 to 7 here tonight.

A pass from David Sapp to Roy Lierman set up the first touchdown for Rosebud in the initial period on the Ducks' eight. After two plays by Sapp and Davis, Sapp then passed to Lierman for the touchdown. Davis kicked the extra point.

No scoring was made in the second and third periods.

In the fourth quarter, Rosebud had the ball on their own 45. Sapp passed to Davis to the line of scrimmage, and Davis with good blocking support scampered 55 yards to score. Davis kicked the extra point.

Taylor got the kickoff on their own 45. Moses Buzan on a reverse play skirted end and ran 55 yards for Taylor's lone score. Rogers kicked the extra point.

Dickie Ellison intercepted a Taylor pass in the fourth quarter and ran it back to the 44. After a series of line plays, Sapp scored from the six. Davis kicked the extra point.

Standouts for Rosebud were Lierman, Davis, Sapp, Billy Mott, Griffin, and Gummelt.

Outstanding players for Taylor were Buzan, A. J. Johnson, and Holman.

# Heavy Loss In Fire At Burlington

Heavy loss was sustained Friday night around 8:20 when a seed house was burned at the Roper Gin plant in Burlington.

Fire fighting units from Cameron and Rosebud responded. The storage building and all contents were a total loss.

The gin is owned by Mrs. Tucker. It was formerly the Henderson gin. Origin of the blaze was not determined.

# MRS. HIGGINBOTHAM DIED IN HOUSTON

Mrs. W. G. Higginbotham of China Springs, injured in an automobile crash at Cypress near Houston on Tuesday, October 12, died at 5 a. m. Sunday, October 17 in a hospital in Houston.

W. G. Higginbotham, husband of Mrs. Higginbotham was killed instantly in the same wreck, as was C. B. Caldwell of Waco.

Mr. and Mrs. Higginbotham were the parents of Jack Higginbotham, highway patrolman of Cameron.

Funeral services were held at 2:30 Monday afternoon with interment at the old home in China Springs.

Another son, Nelson Higginbotham of Waco also with the Texas Highway Patrol, survives.

# DEFY UN WITH 28TH VETO OVER BERLIN

(From the Daily)

Red Russia put the axe to a peaceful settlement of the Berlin blockade crisis before the Security Council of the United Nations in Paris Monday.

It was the 28th exercise of the power of veto by Russia since the organization of the United Nations charter in San Francisco.

In turning down the bid of the neutral countries Russia apparently has served notice on the Western Powers there can be only one settlement of the Berlin and other related questions and that is the Russian way.

Diplomats have a way of assimilating defeat and so the plan is to apparently press on for other attempts.

There was some talk of bringing the matter up before the general assembly.

The vote on the resolution offered by the Neutrals was 9 to 2 with Russia and the Eukraine casting negative votes. The resolution called for an immediate lifting of the Berlin blockade and conference between foreign Ministers over currency issue.

If the Reds continue their stand on Berlin there is no way open short of armed conflict to ease the German situation.

## Local Lake Owners Get Fish Tuesday: More Are Due Here

B. T. McRoberts, superintendent of the State Fish Hatchery at Huntsville, was in Cameron Tuesday to deliver 2650 fish for local tank and lake owners.

Mr. McRoberts is serving his first year with the hatchery at Huntsville as manager. Formerly he was with the Lake Dallas hatchery near Dallas. Local land owners were pleased to meet Mr. McRoberts and to commend him for the splendid way he is handling his job.

Fish distributed here Tuesday were well placed over a large area of the county and went to the following:

J. R. Poole, David Bryan, Robert Jungman, J. A. Mann, Logan McWilliams, H. Leland Green, H. F. Huebner, J. A. Provasek, T. A. Pope, M. B. Shuffield, H. F. Smith, L. H. A. Fuchs, Mrs. J. W. McClendon, F. H. Scarborough, Cameron Country Club, H. F. Griffin, G. W. Blansett, C. E. Russell, K. D. Griffin, Ed O. Pagel, Cleve McCall, R. A. Barker, Clarence Colburn, A. Esslinger, Dwight Moody and A. D. McFarland.

The fish delivered here Tuesday were bass, channel cat, brim and goggle eye perch.

Mr. McRoberts said that perhaps two more loads are to be brought here.

## Newspaper Ads Chief Factor In Sales Success Says Smith

Newspaper advertising was acclaimed as one of the chief factors in the success of Jolly Time Pop Corn by Howard C. Smith, president of the American Pop Corn Compnay.

"Of all the advertising we use", Mr. Smith said, "there is much we would do without before we would consider dropping our newspaper advertising."

"Sales surveys show that in cities where Jolly Time Pop Corn is continually advertised, it is also first in sales." He said, "We could ask for no better proof of the power of consistent newspaper advertising than what is reflected in our sales records."

This season will see the largest advertising campaign in the history of Jolly Time Pop Corn,—or, for that matter, in the history of ANY pop corn. Over 1700 newspapers in all parts of the country will carry Jolly Time ads. "We have increased our newspaper advertising each year, and each year our sales have shown a corresponding increase. We are now so firmly convinced of the effectiveness of newspaper advertising", Mr. Smith said, "that we have entirely discontinued the use of one advertising medium in order to increase our newspaper advertising."

DEMOCRAT TICKET—

(continued from page one)

plused in Milam county. They get excited not at all. Some talk and practically everyone who wishes to discuss the situation expresses frank opinions. Vastly more say they will vote the ticket straight. Some talk but when the time comes they will have no place to go except in the Democratic column.

The matter of bolting a ticket is more serious than many think. It involves local candidates also. If a two party system is ever to gather any momentum in Texas and remain as a competative party with the Democrats, it must start in the Precincts.

There must be Republican or other party candidates for Constable, for Justice of Peace, for Commissioner, for County Judge, for Sheriff, Clerk, Treasurer and so on through the entire county ticket. No progress can be made with a two party system as long as dissension comes every 4 years over Presidential candidates.

Many voters have told this newspaper that if they voted against President Truman they would also vote against local candidates. In every case they used this as a gauge for the foolish attitude of some who participated in the conventions and also who went into the July and August Primaries and now say they will bolt.

In Presidential election years the vote is always heavier than in off years for national elections. It is likely that a fairly good vote will be cast on November 2 in Milam county. There has been no campaigning by the Democrats. Milam county is so deeply Democratic a campaign might not be understood, however in 1928 a campaign was waged but we were then crawling out of the hectic days of wild political passions engendered by the Klan issue. Al Smith was a Catholic.

So on the eve of the election it appeared that Milam county would not only stand by its nominees for local and county offices but would vote the Truman-Barkley ticket as well.

In polling the people The Herald has noted almost without exception that people remember the bitter days of Republican rule under Harding, Coolidge and Hoover and wish to have no such thing happen again. They say if we are heading for a bust it is because Republicans will not control inflation. They say also if we are to have farm prosperity we must have farm subsidies and we cannot have farm subsidies under the Republicans.

The attitude of many reflects fear. This has had its effect on business. Generally folks feel that if the Democrats are elected we will go along with a program for the little guy. On the other hand if the Republicans win its a regime of big business and economic slavery for the mass of poor folks who work and sustain the structure.
